EMBASSY OF NEPAL  
Geneva, Switzerland

September 11, 2009

Dear Madam,

It was a great pleasure meeting you during the Swiss American Golf Championship charity tournament last week in Hittnau. The Embassy of Nepal in Switzerland highly appreciates you and the entire membership of the American Club of Zurich for organizing this extraordinary event to help the children in SOS Village Itahari, Nepal. I also sincerely appreciate your warmth and hospitality.

As I said during my remarks that evening, this was a noble initiative on your part to be of help to those who are less fortunate. I understand how much efforts and management it requires to host such an event. On behalf of the SOS Village in Itahari, I express our deep gratitude and appreciation to you and, through you, to all of those who rallied together under your leadership to make this event successful.

By continuing this worthy cause, you have carried forward the mantle of charity and giving for the help of humanity, which I am sure you will be able to continue in the future.

I sincerely wish the ACZ all success in its future endeavors.

Sincerely

Bharat Raj Paudyal  
Minister Counsellor / Deputy Chief of the Mission
