

U.S. Consular Event

By special arrangement, the AWCZ, the American Club of Zurich, and the Swiss American Society will host the **United States Embassy in Bern at the AWCZ Clubhouse in Zurich**. The **US Ambassador to Switzerland and Liechtenstein**, Donald S. Beyer, will be present, along with several members of the Embassy's consular staff. **Specialists from Social Security, the IRS, and the VA** will make presentations on topics of **special interest to Americans living in Switzerland**. Information on voter registration and other consular matters will be available. Representatives will take questions after the presentations.

Two IRS tax advisors from Paris, Mr. Aziz Benbrahim (Tax Attaché) and Mr. Greg Krug (Taxpayer service specialist), will be on hand to answer tax-related questions. **In addition to the outreach session, the two IRS advisors will be available for 10-minute individual counseling sessions from 2:00 – 4:00 PM**. The advisors will answer brief tax law questions related to the preparation of tax returns and IRS account inquiries related to notices or letters received. (Please note: No direct or complete preparation of tax returns will be offered). **The slots for the individual counseling sessions will be filled on a first come, first serve basis**. For more information or to schedule a session, please contact Ellen Frick-Delman at the American consular agency in Zurich. Appointments may be scheduled by e-mail at zurich-ca@state.gov. When emailing please indicate your preferred meeting time, e.g. between 2:00-2:30, 2.30-3.00, 3.00-3.30, or 3.30-4.00. We will try to accommodate your preference, however meetings will be first come, first served.
